

Laser Safety Management Course

'Core of Knowledge' and Update Training

Thursday 15th October 2015

- Limited numbers
- Lunch and refreshments
- Core of knowledge certificates issued
- Notes folder included
- Free on-site parking

Addressing the legal and operational safety issues in the **medical and cosmetic** sector, the course is suitable for all professionals involved with lasers and intense light sources. It will be ideal for those undertaking or planning to undertake the use of lasers or the role of Laser Protection Supervisor (LPS).

The course will be delivered by an experienced trainer and Certificated Laser Protection Adviser (LPA). Topics will include,

- Beam and non-beam hazards
- Tissue interaction (eye and skin)
- Risk assessment/management
- Regulations, standards and guidance
- Safety controls (including eyewear)
- Incidents and emergency planning
- Quality assurance and
- Equipment management

Course Fee

£190.00 + VAT (£228.00 inc VAT at 20%)

The University of Birmingham

Hornton Grange,
53 Edgbaston Park Road
Edgbaston,
Birmingham
B15 2RS

09:30 start, course finishes at 15:00

Availability

The course is open to all but places will be limited to maintain a high quality of training and to ensure all subject areas are covered with respect to each delegate's area of work.
